Journey Champs

LOGAN was a great rebound man and our leading scorer. His fine team spirit and determination to win brought us through many tough games. DERRY is a clever ball handler and a good passer. Always dangerous around the basket and on set shots. With defensive improvement Derry should develop into an outstanding player next year. ARCHIE is the fastest man on the team and a great defensive player. He was always picked to cover the opponents leading scorer. As Co-captain, he displayed a fine team spirit. DICK was our best ball handler and the playmaker in all games. His accurate shooting made him high point man in many of our toughest games. BILL, a Co-captain and a newcomer to our team this year, quickly adapted his play to our system. He was leading scorer in our conference games and did some fine rebounding. Being just a junior, Bill should develop into one of the outstanding players of the state next year. CHARLES was a good team man and a dead shot. Experience in his earlier years would have made him an outstanding player. JAMES was a dependable replacement for McGinness. His fine defensive play in the first game of the regional probably got us to the state tournament. He was always a power on the reserves. VERNON showed a fine spirit and a lot of ability. He is a good passer and rebounder and if he finds the basket he will develop into one of our best men next year. ROBERT was a leading scorer for the second team and was always dependable when called into first team games. We are sorry this is his last year. STAN is a boy with a fine spirit and plenty of ability. He was our most dependable sub. Next year he will be expected to be the outstanding ball handler and playmaker of the team.
